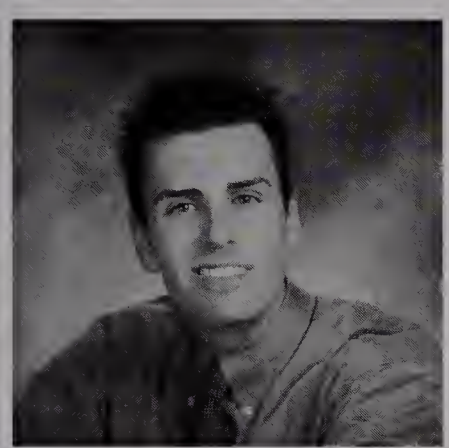
President's Message



To the Class of 2003, I would first like to take this opportunity to thank you for electing me president. The chance to work with Mr. Alves and Mr. Palmieri, the Executive Board, as well as the members of the Student Council, has been phenomenal.

As senior year progresses at the blink of an eye, we begin to realize on whom we can depend and the places where we can find comfort. In addition, we find solace in a particular lifestyle, a lifestyle we know and cherish that will soon be flipped upside down. As negative as this sounds, this change is only for the best. As soon as things become comfortable, life throws you a curveball. The curveball is what you decide to do with your life after Somerset High School. Your chance to step up to the plate begins on June 8th – Graduation Day. Will you strike out or hit a homerun? The choice is yours.

Somerset High School has offered a plethora of opportunities for us to succeed, whether it be through academics, musie, athletics, social clubs, etc. Each program prepares us for what we will face after we walk through the doors of Somerset High for the final time. Communication, teamwork, unity, and confidence are among the many attributes that teachers and coaches work to develop and refine. A state volleyball championship, superior ratings at nationwide music festivals, numerous Eastern Athletic Conference titles, as well as a 2002 Thanksgiving Day win are a testament to the talent and potential the Class of 2003 possesses.

Your talents are extremely apparent in all the avenues you have chosen to pursue, yet I encourage you to "follow the road less traveled." Challenge the person you think you are and try something new, something you never thought you could do, desired to do, or imagined you might do. If you venture into the "post – SHS" world with perseverance and a positive attitude, you are sure to succeed.

Again, I thank you for the opportunity you have given me to be your president. I wish you success in the future and look forward to seeing you all at the first reunion for the Class of 2003!
